

The Ribeiros Church Planting in Brazil

Bruno and Roxanne are finally back, and they have already started working at our sixth church in Goiânia in the Midwest of Brazil, a nine-hour drive from us. Besides growing this small congregation numerically and financially, this missionary couple will have a dynamic youth ministry among the four churches we established in that region, and they will be teaching at our Bible Institute as well. **Praise the Lord!** Their help was much needed!

JANUARY THANK-YOU LETTER

Dear Pastor and Brethren,

“Understand therefore this day, that the LORD thy God is He which goeth over before thee....” (De. 9:3)

We just began the fifth church of the Antioch Project which we helped establish 10 years ago. This ministry is currently supported by 26 national Baptist churches. For the next three years, we will send financial help to the mother church, which is in the state of Minas Gerais, for this project, and they will use this money towards paying rent, and eventually buying a lot and construction.

We are facing difficulties getting approval for our church project in city of Cambé. We are used to tough city codes, but the city hall of Cambé is being truly unreasonable. **We believe this is a spiritual battle, so we are asking you to pray with us for this approval.** Meanwhile, we are beginning to raise funds for this construction, which will take place in two phases: first we will build the sanctuary for 180 people, and then the educational building for our Sunday School classes. We need to free our church from their high monthly rent. We hope to be able to give you specific numbers in our next thank-you letter.

Thank you for allowing us to be an extension of your ministry in the country of Brazil. We realize that you are making our work possible through your prayers and financial support.

In His Perfect Love,

Rom & Rachel Ribeiro
